Membership Form:

History belongs to all of us. Please join us and help to preserve it for future generations. In order to enjoy and feel connected to any community, it is important to know about its history as well invest in its future.

The past has a fascination that if hidden crumbles into obscurity. It is our purpose at the Desert Hot Springs Historical Society to provide a window into that past so that all viewers can be enriched and stimulated by those who came before us.

Our goal of preserving and promoting local history can only be achieved with your help. Please consider becoming a member of the Desert Hot Springs Historical Society with a donation of \$25.00.

You will receive notice of each of the informative Soup Suppers we hold throughout the year as well as a discount of \$5.00 off the Soup Supper. Additionally we give members a 10% discount on publications we sell.

We prefer to contact you by email but will phone or send a notice if you do not have email.
